State Personnel System Employee Handbook May 2015 Page 2 . INTRODUCTION. Welcome to Arizona state government! As an employee of the State of Arizona, what you do is important to others, whether an

State Personnel System Employee Handbook

An employee handbook or manual serves as an introduction to the business, and a reference for any questions your employees may have. In addition to informing employees of their workplace duties, the employee handbook provides information on key policies, such as benefits, dress code, and work schedules.

A whistleblower (also written as whistle-blower or whistle blower) is a person who exposes any kind of information or activity that is deemed illegal, unethical, or not correct within an organization that is either private or public. The information of alleged wrongdoing can be classified in many ways: violation of company policy/rules, law, regulation, or threat to public interest/national ...

Whistleblower - Wikipedia

A business process or business method is a collection of related, structured activities or tasks by people or equipment that in a specific sequence produces a service or product (serves a particular business goal) for a particular customer or customers. Business processes occur in all organizational level and it may or may not be visible to customers

Business process - Wikipedia

The purpose of this handbook is to document current guidelines and recommended best practices. The PLWG strongly encourages all states, districts and territories to adopt, without deviation, all provisions of the Producer Licensing Model Act, because true uniformity cannot be achieved until that happens.
