Arthur Hailey Hotel Pdf by migdiahanddryw - Issuu

Typical arthur hailey book which had a simple story with lot of explanation on how hotels work and what are the intricacies of it. Some of the ending, though morally not right but makes us realise life goes that way (not always the right things happens for the right and vice versa). If not for the explanation on how hotel function and its difficulties the book would be just 2 star but giving that knowledge of difficulties of running hotel this book gets that extra.

Hotel is a 1965 novel by Arthur Hailey. It is the story of an independent New Orleans hotel, the St. Gregory, and its management's struggle to regain profitability and avoid being assimilated into the O'Keefe chain of hotels. The St. Gregory is supposedly based on the Roosevelt Hotel, although the old St. Charles Hotel is also cited as the basis for the novel.
