Accept where you are. You can't change the way you think if you can't (or won't) identify the problem. Accepting that you have negative thoughts and feelings, and that you don't enjoy how you're currently responding to them, can help you begin the process of change.

### **How to Be Positive (with Pictures) - wikiHow**

Amor fati (lit. "love of fate") is a Latin phrase that may be translated as "love of fate" or "love of one's fate". It is used to describe an attitude in which one sees everything that happens in one's life, including suffering and loss, as good or, at the very least, necessary, in that they are among the facts of one's life and existence, so they are always necessarily there whether one likes ...

A behavior change method, or behavior change technique, is a theory-based method for changing one or several psychological determinants of behavior such as a person's attitude or self-efficacy. Such behavior change methods are used in behavior change interventions. Although of course attempts to influence people's attitude and other psychological determinants were much older, especially the ...
