I review empirical research on the relation between capital markets and financial statements. The principal sources of demand for capital markets research in accounting are fundamental analysis and valuation, tests of market efficiency, and the role of accounting numbers in contracts and the political process.

Capital markets research in accounting - ScienceDirect

The names of the Big 4 accounting firms, the years of each of the first and second PCAOB inspections, and the report issuance dates for each of the first and second PCAOB inspections are included in Table 1.

The effect of PCAOB inspections on Big 4 audit quality
