Godard's Metaphysics of the Movies - The New York Times

The critical writings of the French film director, Jean-Luc Godard, are collected here. Many of them are reviews which originally appeared in the French magazines "Cahiers du Cinema" and "La Gazette du Cinema." They include comments on many American and European films from the years 1950-59, as well as Godard's comments on films and film-makers, including his own approach to film, from 1960-67.
