The goal of this manual is to instruct you in these basic skills and to provide you with the knowledge you need to make a positive difference in the life of any ill or injured person to whom you give aid.

First Aid Manual - Ana Sayfa

paramedics are the best trained for medical emergencies, all are trained to administer first aid, and can be of assistance. When activating the EMS stay calm and answer the questions that the dispatcher will ask. They need to know things such as where you are, what happened, how many people are hurt, and who is doing first aid.
