A medical license is an occupational license that permits a person to legally practice medicine. Most nations require such a license, bestowed either by a specified government-approved professional association or a government agency. Licenses are not granted automatically to all people with medical degrees. A medical school graduate must receive a license to practice medicine to legally be called ...

Congratulations, Pat! Well I also did my exam on Sunday and I want to thank you for your website which helped me alot. I spent only 5 days straight before the exam but did not have time to do any mock exams. well I scored only 161 which was not too bad for the effort I spent although I did study hard.
