Free Football Plays PDF " Football Tutorials

Offensive Strategy " Spread Offense Diagram. American football is about using so-called defensive, offensive and special team players as well as the execution of the plays in the sport game of the American football, where there is a vast array of positions, strategies, plays, types of play calling systems and formations utilized.

Offensive Strategy " Spread Offense Diagram

Defensive strategies differ somewhat from offensive strategies in that, unlike offenses that have very specific, detailed plans and assignments for each player, defenses are more reactive, with each player's general goal being to "stop the offense" by tackling the ball carrier, breaking up passing plays, taking the ball away from the offense, or sacking the quarterback.

American football strategy - Wikipedia
