

participatory educational planning the pdf

Participatory democracy emphasizes the broad participation of constituents in the direction and operation of political systems. Etymological roots of democracy (Greek demos and kratos) imply that the people are in power and thus that all democracies are participatory. However, participatory democracy tends to advocate more involved forms of citizen participation and greater political ...

Participatory Asset Mapping Toolkit - Community Science

Participatory action research (PAR) is an approach to research in communities that emphasizes participation and action. It seeks to understand the world by trying to change it, collaboratively and following reflection. PAR emphasizes collective inquiry and experimentation grounded in experience and social history.
