If you're looking for Tableau Interview Questions for Experienced or Freshers, you are at right place. There are lot of opportunities from many reputed companies in the world.

Tableau Interview Questions - Corporate Training - Mindmajix

This is a very similar breakdown to what I teach my students, but I think you've missed an important principle: iteration. An analysis never flows smoothly from collection to conclusions - you will often repeat many parts, discovering problems with your data when you model it, thinking of better models after you've looked at residuals, etc.
