The Master of Business Administration (MBA or M.B.A.) degree originated in the United States in the early 20th century when the country industrialized and companies sought scientific approaches to management. The core courses in an MBA program cover various areas of business such as accounting, applied statistics, business communication, business ethics, business law, finance, managerial ...

Table notes Although the headline ranking figures show changes in the data year to year, the pattern of clustering among the schools is equally significant. Some 195 points separate the top programme, Stanford, from the school ranked number 100. The top 14 participants, down to HKUST Business School, form the top group of MBA providers.
