

personality types pdf

Classification does not explain the individual psyche. Nevertheless, an understanding of psychological types opens the way to a better understanding of human psychology in general.

Personality Types - Inner City Books

Personality type refers to the psychological classification of different types of individuals. Personality types are sometimes distinguished from personality traits, with the latter embodying a smaller grouping of behavioral tendencies. Types are sometimes said to involve qualitative differences between people, whereas traits might be construed as quantitative differences.

Personality type - Wikipedia

What is Personality? Personality is an easy concept to grasp for most of us. It's what makes you who you are. It encompasses all the traits, characteristics, and quirks that set you apart from everyone else. In the world of psychology research, personality is a little more complicated.
