Alex Posted on Fri, November 08, 2013 - 3:14 pm EST. Science may be an art, but it should not be treated like the arts. If someone's method is a close copy of someone else's but both seek the same goal, to instill a knowledge of language within someone, what should matter is which one is superior, not which one is original.

This article is a major update to my previous review of Rocket Languages (updated for the new 2018 edition).. I've had to adjust some of the harsh criticisms below I made in my earlier review of their courses because the new edition has fixed or removed most of the major flaws I pointed out earlier (I've also included a video below).

The Most Frank And Honest Review Of Rocket Languages Ever

The four national languages of Switzerland are German, French, Italian and Romansh. All but Romansh maintain equal status as official languages at the national level within the Federal Administration of the Swiss Confederation. In some situations, Latin is used, particularly as a single language to denote the country. In 2016, the population of Switzerland was 62.8% native speakers of German ...
