This is a list of megaprojects. "Megaprojects are temporary endeavours (i.e. projects) characterized by: large investment commitment, vast complexity (especially in organizational terms), and long-lasting impact on the economy, the environment, and society". The number of such projects is so large that the list may never be fully completed.

In a few weeks time (October 12th) I'm going to be leaving Open Data Services Co-op and starting a short career-break of sorts: returning to my research roots, spending some time exploring possible areas of future focus, and generally taking a bit of time out.. I'll be leaving projects in capable hands, with colleagues at Open Data Services continuing to work on Open Contracting ...
