Many times, when people start out writing positive affirmations and making up an affirmation list, two things happen... First, people will get tunnel vision and only do daily positive affirmations for one category of their life. For example, when the subject of abundance and prosperity comes up, the tendency is to focus solely on affirmations for abundance and prosperity, affirmations about ...

Step 3: Actively Respect And Love Money. Goal: When you live your life as though money is a wonderful thing that you respect, you'll often find that money naturally starts to gravitate to you more often (and in larger amounts). Try not to think of yourself as trying to get money but rather as having already achieved wealth. Remember, according to the Law of Attraction, something becomes yours ...
