A devil is the personification of evil as it is conceived in many and various cultures and religious traditions. It is seen as the objectification of a hostile and destructive force. It is difficult to specify a particular definition of any complexity that will cover all of the traditions, beyond that it is a manifestation of evil.

The Case is a primer on how to defeat totalitarianism. The Case also violates both liberal and conservative orthodoxy. The Case states that free nations have the moral high ground and should use that in conjunction with all other available tools to push totalitarian regimes past their tipping point regardless of economic or tactical concerns.
