Ethics involves systematizing, defending, and recommending concepts of right and wrong behavior. A central aspect of ethics is "the good life", the life worth living or life that is simply satisfying, which is held by many philosophers to be more important than traditional moral conduct.. Most religions have an ethical component, often derived from purported supernatural revelation or guidance.

Scientology is a body of religious beliefs and practices launched in May 1952 by American author L. Ron Hubbard (1911–86). Hubbard initially developed a program of ideas called Dianetics, which was distributed through the Dianetics Foundation. The foundation soon entered bankruptcy, and Hubbard lost the rights to his seminal publication Dianetics: The Modern Science of Mental Health in 1952.

At first, the claim that atheism is a religion might sound ridiculous. It certainly can be a surprising claim. And it's one that many people, including western atheists, might initially dismiss out of hand. But there's more to the story here. There is a case to be made that, in a very real sense ...
