History. Management consulting grew with the rise of management, as a unique field of study. One of the first management consulting firms was Arthur D. Little Inc., founded in 1886 as a partnership, and later incorporated in 1909. Though Arthur D. Little later became a general management consultancy, it originally specialised in technical research.

I'm not gonna lie: I haven't treated consultants very well before and even though that infamous Leveraged Sellout video is ancient history by now, it still pops into my head whenever I get questions from consultants.. But despite that, I still do get lots of questions from consultants on how to move into the world of finance, mostly to investment banks and private equity firms.

If there's one thing that all bankers enjoy, it's making fun of consultants.. But that might not be a great idea if you're interested in restructuring and distressed M&A - it's one field where a consulting background can give you an advantage.. And if you don't get into one of those groups as an

intern, turnaround consulting is often your best path in.
