Tourism is travel for pleasure or business; also the theory and practice of touring, the business of attracting, accommodating, and entertaining tourists, and the business of operating tours. Tourism may be international, or within the traveller's country. The World Tourism Organization defines tourism more generally, in terms which go "beyond the common perception of tourism as being limited ...

1. Introduction. Fundamental to the successful development of tourism is the balanced or harmonious relationship between tourists, the people and places they encounter, and the organisations and businesses that provide tourism services (Zhang, Inbakaran, & Jackson, 2006). In other words, as the “largest peaceful movement of people”™ (Lett, 1989: 277) in history both within and across ...
