A Communist state (sometimes referred to as Marxistâ€“Leninist state or workers' state) is a state that is administered and governed by a single party, guided by Marxistâ€“Leninist philosophy.. There have been several instances of Communist states with functioning political participation processes involving several other non-party organisations, such as trade unions, factory committees and ...

Communist state - Wikipedia

In political and social sciences, communism (from Latin communis, "common, universal") is the philosophical, social, political, and economic ideology and movement whose ultimate goal is the establishment of the communist society, which is a socioeconomic order structured upon the common ownership of the means of production and the absence of social classes, money, and the state.
