The platform model muddies the traditional employer-employee relationship by classifying work-

Towards an understanding of workers'™ experiences in the

Understanding of others is a true understanding of, and interest about others at the individual, social, and cultural levels. The final circle in the model, symbolizing the goal, is wisdom. Brown (2004) states that wisdom is comprised of six interrelating characteristics: self-knowledge, understanding of others, judgment, life knowledge, life skills, and willingness to learn.
