Pelican Parts Forum! Sal, Your tuning description is pretty much spot-on with the advise I've received from Electromotive. One deviation is that I've set my AFR target such that at idle and low loads the Auto-VE makes adjustments to achieve an AFR=14:1. My AFR target is currently configured such that it gradually increases from 14:1...

This is an introduction to tuning with a programmable electronic fuel injection ECU. It is written specifically for MegaSquirt® or MegaSquirt-II™ EFI users who are new to tuning engine with a programmable controller, and tries to make very few assumptions about what you already know. Read this document before reading the applicable tuning ...
