The President of the United States (POTUS) is the head of state and head of government of the United States of America. The president directs the executive branch of the federal government and is the commander-in-chief of the United States Armed Forces.. In contemporary times, the president is looked upon as one of the world's most powerful political figures and as the leader of the only ...

### **President of the United States - Wikipedia**

The United States Senate is the upper chamber of the United States Congress, which along with the United States House of Representativesâ€”the lower chamberâ€”comprises the legislature of the United States.. The composition and powers of the Senate are established by Article One of the United States Constitution. The Senate is composed of senators, each of whom represents a single state in its ...
