The Inpatient is the horror prequel to Until Dawn, and we already know what's going to happen (nothing good) That note was written in 1952. The Inpatient takes places in –œits 1950s heydey. –• That leaves us with a pretty good idea of what to expect going into this VR experience, which may very well show the collapse of Blackwood Sanatorium to a horde of blood-thirsty wendigos.

Chaos in the Blink of an Eye is a fictional account of the rapture and what it might be like. This is a prequel of a series of books and it is a quick read. It is well written and interesting. There are a lot of great characters the writer has developed and I'm intrigued to see what will happen next with them.
