

vegetables and herbs for pdf

What are Publications? A numbered UGA Extension publication has been peer reviewed, has enough substance to stand on its own, and is written to be used and understood by the public.

Publications | UGA Cooperative Extension

An herb is a plant grown for medicinal value or for flavoring food. There is some overlap between the milder leafy herbs and the more strongly-flavored leaf vegetables. This category does not include the much wider category of herbaceous plants which are also called herbs in some countries.
