A Persian miniature (Persian: نگارخانه کوچک) is a small painting on paper, whether a book illustration or a separate work of art intended to be kept in an album of such works called a muraqqa. The techniques are broadly comparable to the Western and Byzantine traditions of miniatures in illuminated manuscripts. Although there is an equally well-established Persian tradition of wall ...

William Blake invented a printing technique known as relief etching and used it to print most of his poetry. He called the technique illuminated printing and the poetry illuminated books. Nearly all of his critics believe that the idea for illuminated books preceded the invention of relief etching, that either the idea of text integrated with images on the same page or Songs of Innocence ...
