Its answer is very simple. Just see the balance sheet of previous year and make list of all assets one side and all liabilities in other side and then this will be based for creating opening journal entry.

How to Pass Opening Journal Entry | Accounting Education

At the time of liquidation of company, a very important statement is made for showing estimated realizable value and liabilities expected to rank. That statement is called statement of affairs. To prepare statement of affairs is also important because by making statement of affairs we can know what amount of surplus or deficiency in balance.
