Naturism, or nudism, is a cultural and political movement practicing, advocating, and defending personal and social nudity, most but not all of which takes place on private property. The term may also refer to a lifestyle based on personal, family, or social nudism. Naturism may take a number of forms. It may be practiced individually, within a family, socially, or in public.

Freeborn women in ancient Rome were citizens (cives), but could not vote or hold political office. Because of their limited public role, women are named less frequently than men by Roman historians. But while Roman women held no direct political power, those from wealthy or powerful families could and did exert influence through private negotiations. ...

Feminists want to maximize the number of men who get charged with rape. Feminists don't care about actual rape victims. But they do hate men enough that they want to use rape as a political weapon against them, even if it means encouraging high-risk behaviour among college-aged girls. In their eyes, one girl's unpleasant night is worth it, to see a dastardly patriarch spend a decade in prison.
