The Credit Suisse reports are ok. I actually like S&P reports the best, but as someone who has aspirations in ER I also would like to have reports from a major bank as a reference.. I wonder why CS provides reports to Ameritrade while the rest of the BB's don't. I'm sure they get a hefty fee, but it just sticks out to me that one BB would play in that market and the rest don't.

Two office chairs in the design of information related to business. Assuming you've seen Wall Street (the awesome, original one, not the watered-down sequel) it is a requirement to work in finance, after all you know something about traders vs. brokers. The traders are like lone wolves who go in and make tons of money by making quick decisions!
