This is a list of wars involving the Kingdom of Sweden. There are legendary accounts of Swedish kings well into prehistory and they are mentioned by Tacitus in his *Germania*, but St. Olof Skötkonung (995–1022) was the first ruler documented to have been accepted by both the Swedes around Lake Mälaren and by the Geats around Lake Vättern. The modern state of Sweden considers itself to have ...

Flaming is the online act of posting insults, often laced with profanity or other offensive language on social networking sites. [citation needed] These insults may turn into flame wars where two or more individuals unite to exchange or unite against a third party with verbal attacks. Many attribute the emergence of flaming to the anonymity that internet forums provide.
