A brand is a name, term, design, symbol, or other feature that distinguishes an organization or product from its rivals in the eyes of the customer. Brands are used in business, marketing, and advertising. Name brands are sometimes distinguished from generic or store brands.. The practice of branding is thought to have begun with the ancient Egyptians who were known to have engaged in ...

Portable Document Format is still my primary choice of format to send and friends. I also like to include a line of recommendation for a best free online PDF converter for that particular document. That way I don't have to worry about whether my document will be able to view and edit, in case some revisions are required.
