Take-out food is packaged in paper, paperboard, corrugated fiberboard, plastic, or foam food containers. One common container is the oyster pail, a folded, waxed or plastic coated, paperboard container. The oyster pail was quickly adopted, especially in the West, for "Chinese takeout".. In Britain old newspapers were traditionally used for wrapping fish and chips until this was banned for health ...

In the United States, open carry refers to the practice of "openly carrying a firearm in public", as distinguished from concealed carry, where firearms cannot be seen by the casual observer. To "carry" in this context indicates that the firearm is kept readily accessible on the person, within a holster or attached to a sling.
