Stoning, or lapidation, is a method of capital punishment whereby a group throws stones at a person until the subject dies. No individual among the group can be identified as the one who kills the subject. This is in contrast to the case of a judicial executioner. Often slower than other forms of execution, stoning within the context of contemporary Western culture is considered a form of ...

"Lady Jane" is a song by the English rock group the Rolling Stones, penned by the group's songwriting duo of Mick Jagger and Keith Richards. It was initially included on their album, *Aftermath*, which was released on 12 April 1966 in the UK and 20 June 1966 in the US. The song showcases Brian Jones' instrumental incorporation of baroque rock as it was beginning to be introduced, and became ...
