The Democracy Ranking is an index compiled by the Association for Development and Advancement of the Democracy Award, an Austria-based non-partisan organization. Democracy Ranking produces an annual global ranking of democracies. The applied conceptual formula, which measures the quality of democracy, integrates freedom and other characteristics of the political system with the performance of ...

Soviet democracy (sometimes council democracy) is a political system in which the rule of the population by directly elected soviets (Russian for "council") is exercised. The councils are directly responsible to their electors and are bound by their instructions. Such an imperative mandate is in contrast to a free mandate, in which the elected delegates are only responsible to their conscience.
