A folk healer is an unlicensed person who practices the art of healing using traditional practices, herbal remedies and even the power of suggestion. A folk healer may be a highly trained person who pursues their specialties, learning by study, observation and imitation. In some cultures a healer might be considered to be a person who has inherited the "gift" of healing from his or her parent.

Traditional healers of South Africa are practitioners of traditional African medicine in Southern Africa. They fulfill different social and political roles in the community, including divination, healing physical, emotional and spiritual illnesses, directing birth or death rituals, finding lost cattle, protecting warriors, counteracting witchcraft, and narrating the history, cosmology, and ...
